Company Description:	<p>Buckley and Beale is a UK-based importer, exporter and distributor of ambient, speciality, vegan and mainstream food and drink. Warehousing and freight forwarding is operated out of Chicago, Illinois. Consolidation in Chicago enables a one-stop-shop UK export solution, handling both the importation and the sales. This leaves you to focus on production. It supplies to both the major multiples and foodservice.</p> <p>We specialise in sourcing high quality and innovative products for the multiple retailers and foodservice. UK import is our speciality. With years of experience importing American brands, we pride ourselves in finding the very best and also count Harrods, Selfridges, Marks and Spencer and Ocado among those we supply. American imports represent a significant part of our business. See our portfolio for featured American brands which we have introduced to the UK market and helped grow. www.buckleyandbeale.com Delivering out of two locations in the UK, Buckley & Beale has the ability to deliver by the pallet to larger customers, Also offered is in-house expertise relating to all matters of UK labelling and legal compliance.</p> <p>The recent Covid-19 pandemic has highlighted the need for businesses to move and adapt to the new climate, or the 'new normal' as it is often termed. With that in mind, Buckley & Beale has now expanded its business model to introduce a brand new direct-to-customer solution, which offers the chance of immediate sales alongside a B2B strategy. Launching in August 2020, The American Pantry is a direct-to-customer e-commerce platform owned and run by Buckley & Beale.</p> <p>By becoming a retailer with the ability to select its own products, Buckley & Beale has dramatically reduced the lead time to doing business in the UK. Also with a mixed pallet/container consolidation in Chicago, the barrier of having to secure a large trade customer first, is removed. This platform means your goods are offered immediately, generating both sales and data to assist with the B2B strategy. New introductions will first be featured in the Discovery Zone of The American Pantry. Our presentation provides full terms and conditions, including detailing of expansion to other retailers.</p>
