<b>Company Description:</b>	<p>Established in 2009, Renovaresa started importing health products from Germany and they started importing a U.S. stevia-based natural sweetener, water drops, and powder in 2015. They distribute to GNC, Walmart, Unisuper, Organica, Caoba Farms, and Selección del chef. They have also recently started selling their products with sports and nutrition influencers.</p> <p>Renovaresa is an experienced distributor in the natural and health products industry and is very interested in identifying new U.S. products. The company has conducted several focus groups and market studies and they have learned that there is a great demand for natural products in Guatemala.</p> <p>Renovare is very interested in finding new U.S. food suppliers in the sweets and snacks category, as the DR-CAFTA allows the import of this product as duty free. Their strategy is to offer a wide variety of products in their distribution channels. The company is planning to enter the El Salvador and Honduras markets in the near future.</p>
