Contact Information			
Title	Name / Email / Phone		
Purchasing supervisor	Available upon registration (go to "My Activities" if you already registered)		
Company Information			
Company Address:	Available Upon Registration	Website:	www.oxquim.com.br
Company Phone:	Available Upon Registration	Year Founded:	1996
Company Description:	<p>Founded in 1996, Oxquim is a Brazilian importing and distributing company of chemical inputs and raw materials. They currently import a range of ingredients and additives that are used both in the food and feed segments, including potassium sorbate, sorbic acid, creatine, L-glycine, taurine, sodium benzoate, phosphates, and others. In 2022, they started their personal care and animal nutrition sectors and look to keep expanding their portfolio to meet the varied needs of the market. They are now looking to start importing feed additives such as L- threonine, valine, tryptophan, methionine, lysine, inositol, beta alanine, choline chloride, glutamine, vitamins (A, B, C, D, E, K), flours, brans, and phosphates (monocalcium, calcium, tricalcium) from U.S. suppliers to include in their portfolio.</p> <p>Oxquim's headquarters are in the Rio de Janeiro state where they have two offices and a warehouse. They also have branches in the States of São Paulo, Pernambuco, and Santa Catarina. The company has its own specialized logistics, a storage system, and a sales team with great know-how in every product line.</p>

CHINA

Guangdong Junjie Agriculture Trading Co., Ltd.

Contact Information			
Title	Name / Email / Phone		
Import Manager	Available upon registration (go to "My Activities" if you already registered)		
Company Information			
Company Address:	Available Upon Registration	Website:	http://www.gdjjac.com
Company Phone:	Available Upon Registration	Year Founded:	1998
Company Description:	<p>Established in 1998, Guangdong Junjie is one of the earliest importers and distributors of feed products and feed ingredients in the China market. They are also the first company in China to import DDGs from the U.S. back in 2008. With over 20 years in development, Guangdong Junjie has grown to be one of the largest feed traders in China, possessing an extensive line of feed items like corn, sorghum, barley, alfalfa hay, DDGS, cottonseed meal, rapeseed meal, bean pulp, palm meal, fish meal, etc. Guangdong Junjie works in the cow, pig and poultry industries.</p> <p>The company now has an annual import volume of over 3 million MT, importing from a wide range of overseas suppliers from the U.S., Canada, South America, etc. (ADM, BUNGE, CARGILL, CHS, COFCO, CONCORDIA and CBH etc. are all its partnering suppliers.) Additionally, Guangdong Junjie is the first and biggest U.S. sorghum buyer in China, importing about 1.5-2.5mmt each year. Besides sorghum and DDGs, it also imports U.S. corn, peas, alfalfa pellets, BBP, and animal protein.</p> <p>The company has also established a mature sales and distribution network in China covering big feed groups like Haid Group, Wens, Evergreen Conglomerate, Tongwei Group, etc.</p>
