

Tip of the Month: May

Did You Know...

Did you know you can receive reimbursement for foreign market-compliant export labeling and packaging, even if you were previously reimbursed in prior years?

If you'll be reprinting export packaging in 2023 and/or creating new labels and packaging, submit your 2023 Branded Program pre-qualification now!

And if you have already applied, contact your Branded team and we'll help you add this activity into your existing application.

Looking for more Branded Program tips? Keep an eye out for a "Tip of the Month" email which covers frequently asked questions, common mistakes, and time-saving tricks!
