<b>Company Description:</b>	<p>With over 20 years of experience, Vilac Foods is a well-established importer and distributor of ingredients for the Brazilian food industry. They are also distributors of supplies and technology, in addition to providing consultancy services, mainly for the dairy and other food industry sectors. They are headquartered in Northern Brazil, and their products are distributed nationwide.</p> <p>Vilac offers ingredients to enhance the quality, flavor, color, texture, and aroma of food products from different sectors, such as dairy, ice cream, bakery, confectionery, beverages, pasta, and cookies, among others. While the company's portfolio is mainly focused on dairy ingredients, juices, sauces, and fruit-based preparations, Vilac Alimentos is currently undergoing a nationwide expansion and are seeking to diversify their product offerings. They are particularly interested in pistachios, hazelnuts, macadamia nuts, WPC, WPC 80, WPI, casein, sweeteners, plant-based proteins, xanthan gum, gellan gum, carrageenans, pectins, citrus fibers, additives, enhancers, and more. They want to connect with new U.S. suppliers and expand their portfolio with high-quality food ingredients from the U.S.</p>

<b>Company Description:</b>	<p>Embutidos La Única is a Salvadoran company founded in 1965, dedicated to the production of a wide range of cold cuts and cured meats. Its portfolio includes pork, turkey, and chicken hams; sausages; fresh and cooked chorizos; bacon; pepperoni; salami; mortadella; and smoked pork cuts. The company stands out for using high-quality raw materials and ingredients sourced from the United States and certified by U.S. Meat and U.S. Pork. It also implements efficient processes with high-tech equipment, consistently maintaining high standards of health and hygiene. With more than 350 employees, Embutidos La Única has experienced significant growth since its inception. In 2023, the company announced a \$2 million investment to expand its production plant, including the construction of new processing, packaging, and storage areas, as well as the acquisition of modern machinery to create new recipes and products for their portfolio. La Unica plans to keep investing in new equipment to increase their portfolio and compete with other companies in the region. Working with U.S. companies is their best alternative due to proximity and costs, and they have expressed that they are highly interested in working with U.S. companies.</p>
