## ABOUT THE MARKET

Products of U.S. origin continue to be well-received in the Egyptian market due to their association with high quality. Don't miss this chance to connect with key buyers who have expressed interest in value-added wood products from the United States!

Focused Trade Missions can save valuable time and resources by maximizing contact with prospective distributors and sales representatives. There's no better way to understand the local landscape, assess the competition, and learn about the potential promotion of your products.

## SERVICES PROVIDED:

- One-on-one meetings with qualified buyers
- Pre-event custom product research including market overview, importation and distribution analysis
- Market briefing by local USDA, Foreign Agricultural Service
- Identifying top leads
- Inclusion in Trade Mission brochure containing your company profile, contact details and product lines
- On-site assistance by Food Export's IMRs

## PRODUCTS OF INTEREST:

- Value-Added Wood Products
- Wooden Furniture (Oak, Walnut, Pine)
- Plywood
- Wooden Veneer
